## Improved Air Quality

Microbes can double every 20 minutes on an untreated surface!

Standard plastic pan with visible mold

UV resistant plastic pan with Microban® antimicrobial additive

Mold is part of our environment and there are no practical ways to completely eliminate mold spores. The best defense against mold in a home is to prevent it from taking hold through moisture control and the use of mold resistant building materials.

Every Healthy Solutions® coil features Microban® technology, providing added protection against the build-up of mold and mildew within your system!

## The ADP Advantage...

### PROTECTION

ADP is the exclusive provider of coils featuring antimicrobial product protection by Microban®, a recognized consumer brand.

### QUALITY

ADP proprietary testing technology ensures leak-free performance at the higher operating pressures of R-410A systems.

### SERVICE

Healthy Solutions® coils are made for seamless installation and easy access.

### ENERGY SAVINGS

Many models are available to achieve higher SEER levels for ENERGY STAR compliance, utility rebates, and federal tax credits.

### WARRANTY

Healthy Solutions® coils feature an available 10-year limited warranty. Simply register online at [www.adpwarranty.com](http://www.adpwarranty.com).

## Perfect Attic Solution

Dedicated horizontal coils offer a strategic advantage over standard multi-position coils!

### Sloped Drain Pan

Patent pending "V" pan directs water to the front of the pan and away from furnace flue connection

### Dual Drain Connections

Green/Red connections on each side for easy installation

### Perfect Furnace Fit

Coil matches furnace width, no adaptor required

### 5 Ton Attic Access

21" solution easily passes through 22" attic opening

### Top Refrigerant Connections

Counter flow and line re-routing required
