We recommend departing flights be booked no earlier than 7:00 PM on the last day of training.

When exiting your flight, look for baggage claim signs, proceed to the escalator to board the tram (with the exception of the T gate, you can walk to baggage claim). At the top of the escalator, look for your airline located in either the North or South baggage claim area, then proceed to the area to check your flight number and corresponding carousel. Look for the MARTA signs in the airport to board train, or look for shuttle signs to catch your shuttle.
