

JUST AS HARDWORKING AS THOSE WHO MADE THEM

TITAN HD™

Heavy Duty Motor Run Capacitors

- Proudly Made in the USA
- A substantial 60,000 hours of operational life
- Built to UL810 safety standard and exceeds the rigorous EIA-456A industry standard for performance quality
- Sophisticated pressure sensitive interrupter safely removes capacitor from circuit and prevents catastrophic failure
- Environmentally conscious soybean oil prevents corrosion and helps dissipate heat to ensure long life
- UL, CUL, CSA and VDE certifications

*Longevity you can count on.
Craftsmanship to be proud of.*
